WELCOME TO THE WEBSITE OF A 1ST CHOICE APPLIANCE SERVICES!

WHERE QUALITY AND AFFORDABILITY COME FIRST!

We strive to do our best for your appliances in the Greater Asheville, North Carolina, area. We repair and service all types and brands of household appliances. We work on washers, dryers, refrigerators, freezers, ovens, ranges, microwaves, dishwashers, vent hoods, garbage disposals and compactors, icemakers, and more. We also install all of these items for you.

Since we are a new business, we have several offers to tempt you to try us, and then tell your friends when you are satisfied with our services and prices. We offer a free trip charge with repairs and a 90-day warranty on all repairs. For \$39.95, you can have a preventive maintenance inspection on the appliance of your choice.

This is how we do business. We are licensed, bonded, and insured. All of our repairs are priced by the job, not by the hour. We give you a firm price first before we start the repair or installation. Our goal is to establish a long and trusting relationship with our customers. We are clean, prompt, polite, and fair. We love what we do, and we have fun doing it.
